Notepad Cover Assembly Instructions

Draw a rectangle around your finished embroidery, 3/8" outside the design. Cut on the line. All pieces include ¼" seam allowance.

Cut the following pieces from

Contrasting fabric:

4 framing strips 2" x 6"

1 back cover rectangle 5 ½" x 6 ½"

1 lining rectangle 5" x 10 ½"

1 lining rectangle 9" x 10 ½"

Cut from batting:

1 rectangle 6 ½" x 10 ½"

Stitch framing strips to the left and right sides the embroidered rectangle. Press the strips away from the rectangle and trim the ends of the strips even with the embroidered piece.

Stitch the remaining two framing strips to the top and bottom of the embroidered unit. Press the strips away from the embroidery. Carefully trim the pieced and embroidered unit into a rectangle 5 ½" wide and 6 ½" high.

Sew the back cover rectangle to the front unit to make a 6 ½" x 10 ½" rectangle. Press carefully. Place the pieced rectangle on top of the batting and baste around all four sides within the ¼" seam allowance.

Fold the 9" x 10 ½" lining rectangle in half lengthwise, wrong sides together, and press. Position the folded rectangle on the pieced cover unit, right sides together, matching the raw edges at the bottom and sides.

Serge or hem one long edge of the 5" x 10 ½" lining rectangle. Right sides together, place it on the pieced note pad cover, matching the raw edges at the top and sides and partially covering the folded rectangle.

Stitch around the entire perimeter of the note pad cover through all thicknesses. Clip corners and trim the batting within the seam allowance to reduce bulk.

Turn the cover right side out by reaching between the lining pieces. The folded edge of the larger lining piece will cover the hemmed edge of the smaller lining piece and extend toward the top of the note pad cover, forming a pocket to hold pen and paper.

Carefully press the note pad cover. Find the center of the cover and mark stitching lines 3/8" to either side of the center, Stitch on these lines through all thicknesses, creating a slot to hold a pen or pencil along the cover's spine.
